BUILDER:
OVERMARINE GROUP

YEAR: 2005
ASKING PRICE: € 2.500.000

VAT: PAID
FLAG: PORTUGAL

PORT OF REGISTRY: MADEIRA
LOCATED: ANTIBES

*“There is no **Mangusta** like another.”*

This 31,5 m open Yacht Mangusta 105 S was built by Overmarine in Italy .This luxury vessel's exterior design is the work of Stephano Righini.

Mangusta 105 S has been designed to comfortably accommodate up to 9 guests in 4 suites. She is also capable of carrying up to 4 crew onboard to ensure a relaxed luxury yacht experience.

The aft deck and its circular dinette and twin sunpads open to a saloon with inboard-facing settees to port and starboard, each with a pair of accompanying dinette tables. In the forward saloon, windows on three sides allow ample light and great views, and because it's five steps down from the helm deck, this space cannot be seen from the stern, providing some privacy.

This superyacht's decidedly strong sporty lines drawn by Stefano Righini well depict the sort of performance the hull is capable of delivering while the interiors are more spacious than one would normally expect to find on an “open” of this size.

With a specially configured water line of 25.3 metres, coupled to a beam of 6.9m to best exploit hydro-jets – which is another distinguishing feature of the 105 S as in every Mangusta. On this yacht in particular they are Rolls Royce Kamewa 63 S2 drives linked to twin 12 V cylinder MTU 396 TE engines for a total output of 4,500 HP which are capable of pushing the boat to a top speed of 32 knots.

This boat is set to provide plenty of thrills and adrenalin, this fast Mangusta 105 S a family cruiser too, as if it were almost a multi decked motor yacht underscored by the main deck in addition to a classic living/entertainment and dining area installed in the stern.

This yacht also offers another living room situated forward of the cockpit on a half deck but on a slightly lower level, a solution which aside from extra comfort provided by large sofas, make it very enjoyable with considerable privacy for guests. Plenty of natural light pours through large window panels set along four sides. The deck floor is in teck wood while the saloon is fully carpeted in beige material.

The night quarters are situated along the lower deck in the forward section reserved for guests and for some of the crew. These two areas are obviously separated to guarantee complete privacy. The owner's suite is situated in the most comfortable area amidships taking up the full beam. It is very bright thanks to as many as five rectangular ports in each of the sides, with a dressing room, and a bathroom which are in line with the cabin's size and rank.

Forward of the suite there are two twin guest cabins with beds and their dedicated bathroom and wardrobe. Further forward we access a VIP cabin with a double bed at centre, bathroom and wardrobe. In the given case the owner requested the designers on hand at Overmarine with the ship yard defining the interiors as being “finely classic”.

What makes it so exclusive is the furniture with the choice of materials which is expertly blended with wood essences, fine leather, as well as marble, in an interplay of chromatic contrasting colours with detailed finishing touches and wonderful joinery. We can safely say all of this is of a higher standard and simply typical of this Italian brand.

The exterior open air portions offer much to tan fans. The bow and stern host three enormous sun bathing areas, while the stern deck with its round table invites one to a pleasant dinner. A strategically placed crane ensures quick and efficient launches near the garage housing tender and water toys aft in the stern.

This Yacht is sold in very good working order, no major work is to be expected. **STORM** is ready for private and Charter.

DIMENSIONS

LENGHT OVERALL	31.5 M	105 FT
LENGHT ON WATERLINE	25.5 M	84 FT
BEAM	6.93 M	23 FT
DRAFT	1.2 M	4 FT
DISPLACEMENT AT FULL LOAD	95 T	209,439 LBS
DISPLACEMENT AT HALF LOAD	89 T	196,211 LBS

TANK CAPACITY

FUEL CAPACITY	13,000 L	3,434 US GALS
RANGE CAPACITY	400 MILES	
FRESHWATER CAPACITY	1,850 L	488 US GALS
BLACK WATER TANK	1,000 L	264 US GALS

PERFORMANCE

MAX SPEED	32 KNOTS
CRUISING SPEED	26 KNOTS

HULL

HULL STRUCTURE: ADVANCED GRP SINGLE SKIN COMPOSITE STRUCTURE BASED ON VINYL-ESTER RESIN. HAND LAY-UP PROCESS.

OPTION

- STABILIZER SEAKEEPER 35, INSTALLED IN 2018, SERVICE PERFORMED EVERY YEAR
- TENDER WILLIAMS 325 - YEAR 2020 - CURRENTLY 72 HOURS
- JETSKI SEEDOO SPARK 3 SEATS - YEAR 2020 - CURRENTLY 17 HOURS
- INOX SWIM LADDER ADDED (2021)
- SECURITY: INSTALLATION OF PLEXIGLASS FOR THE HANDRAILS + ADDITION OF THE CENTRAL GATE ON THE AFT DECK

MAIN COMPONENTS
